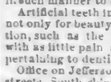
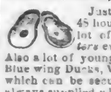
G. B. FITTS.....J. F. WILSON.
DRS. FITTZ & WILSON,
DENTAL SURGEONS,


HAVING had the advantage of a thorough Dental education, offer their Professional services to the citizens of Louisville and vicinity. Dr. Fitzs skill in Mechanical Dentistry can be seen at their office, specimens of which took the first Premium and Diploma at the United States Fair in 1857. Dr. Wilson has been treating aching teeth successfully for the last five years by destroying the nerve without pain, filling the fangs and crown with gold, root ring the tooth to its natural shape, and making it as useful as before decay. Do not have your teeth extracted until you are certain they cannot be saved.—More than fifty per cent. of the teeth usually extracted can be made useful through life. We are daily treating and filling teeth of this class that comes in to be extracted. In no case do we disfigure a tooth by filling to fill it, using other and better means than the indiscriminate use of the file. Any tooth can be filled with gold that is worth filling at all. We use, when requested, a local anæsthesia to prevent pain in extracting teeth.
All operations warranted as represented, and terms as liberal as any good Dentist can afford.
N. B.—Call and have your teeth examined and our advice gratis. Office on Fifth street, next door to au26 d1y the Cathedral, Louisville, Ky.

DENTISTRY.


DR. PIERSON takes this method of introducing his partner, Dr. TUTTLE, of Albany, New York, to his numerous patrons, and confidently recommends him as a skillful Dentist.
We invite the public attention to our new style of Teeth. For beauty, cleanliness and natural appearance, they are unsurpassed.
TEETH FILLED, nerve destroyed and extirpated;
FANGS FILLED, carious spots removed;
TEETH POLISHED, Regulating, (altering position);
ULCERATED TEETH TREATED, Chloroform Administered;
Manufacturers of Porcelain Teeth, continuous gum on Platina or Gold, Porcelain Base, Vulcanite Base, Ceoplosty work.
Full sets, from $50 to $150.
Office on Jefferson street, north side, between Third and Fourth. feb22 dtf

DR. STRAUS,
SURGEON DENTIST,

WOULD inform the citizens of Louisville and its vicinity, that he has located himself here permanently, for the purpose of practicing his profession in all its various branches, after the latest and most approved style. Having practiced for the last twenty years in New Orleans, I feel confident of giving satisfaction to every one who may honor me with a call. I would call the particular attention of the public to my mode of filling teeth, which is done in such a manner as to get twice the amount of gold into a cavity, as done in the usual way. I can, therefore, "guarantee" every tooth plugged in such manner to be as good as if never decayed.
Artificial teeth inserted—from one to an entire set—not only for beauty, but also for use, with or without suction, such as the case may require. Teeth extracted with as little pain as possible, and all other operations pertaining to dentistry.
Office on Jefferson street, between Second and Third streets, South side, Louisville. jy1 d1y

DAILY COURIER.

THURSDAY,.....OCTOBER 14, 1858.

☞ Reading Matter on every page.

LOUISVILLE, FRANKFORT AND LEXINGTON RAILROAD—NEW RUNNING ARRANGEMENTS.—It will be seen by the advertisement in another column of the Courier, that new running arrangements over these roads for the fall and winter of 1858-9, will go into operation on Monday next, the 18th inst.

The first train for Lexington will start as heretofore at 5.50 A. M., and will arrive here at 6.55 P. M., which is a few minutes earlier than now.

The second train for Lexington will leave at 2.30 P. M., instead of 2 P. M., as at present, and will arrive here at 11.15 A. M., instead of 10.20 A. M. This train will hereafter stop at O'Bannon's and Beard's stations, both going and coming.

The "accommodation train" for Lagrange will leave at 4 P. M. instead of 5.10 P. M. as now, and arrive here at 8.55 A. M. instead of 8.25 A. M.

The changes will no doubt suit the convenience of the traveling public, and be approved by those who have occasion to use the ours on these safe and well managed roads. We venture to say that during the last year, on no road in the Union, of the same length, have the arrivals and departures of the trains been more prompt and regular than on this. The officers and employees work together harmoniously, the discipline is perfect, and as a consequence we have rarely an annoying delay to record, and serious accidents are altogether unknown.

Hon. Linn Boyd.

We publish this morning a letter recommending Hon. Linn Boyd as a candidate for Governor. Col. Boyd is so well known to the Democracy of Kentucky that nothing we could say would add to his fame. He has filled high places in the councils of the nation, and filled them nobly.—He is a Democrat of the true school. He is the right sort of a man for a State election, and if the convention shall nominate him none will give him a warmer support than the Courier. We know not whether he wants the office or not, but if he desires it, the Democracy could confer the office upon none of her sons more worthy of it.

THEATER.—Miss Avonia Joues concluded a very successful engagement by a complimentary benefit at the Louisville Theater last night. The play of Sybil was given for the last time, and an immense audience was present. We think this was more a tribute to her beauty and talent, than to the intrinsic merit of the play. Two of our military companies, the National Blues and Marion Rifles, in full dress, were in attendance. Miss Jones was called out and thanked her Louisville friends for their kindness.

Miss Susan Denin, a very fine actress, makes her appearance at the theater to-night in the "Assassin of the Chateau." The scenic piece of the "Forty Thieves," with Miss Ida Vernon in the principle female character, will also be presented for the first time.

REMOVAL OF THE GRAND LODGE TO LOUISVILLE.—It affords us great satisfaction to learn from the letter of our indefatigable Lexington correspondent "Corporal," that the Grand Masonic Lodge has resolved to remove its headquarters to this city. Hereafter, the sessions of all the State Masonic bodies, are to be held here. Ample accommodations will be afforded these organizations in the spacious and beautiful temple of the order. We shall expect much pleasure from the annual reunion of the brethern in Louisville.

DR. H. RODMAN.—A letter in our issue of to-day, suggests Dr. H. Rodman, of Frankfort, for register of the land office. We have known Dr. Rodman long and well. He is as true a man as ever lived. If he wants the office, no man would fill it better. Talented, industrious, and true, we would not hesitate to indorse him for anything he asks. His professional duties, however, are arduous, and we don't suppose that he cares about having this office. He has registered diseases so long, and so well, that we don't suppose he cares about registering land, and if he does, his patients wont be likely to permit him to do it.

THE GREAT NATURAL MENTAL CALCULATOR.—Mr. Meredith Holland will receive visitors at Mozart Hall, on Thursday, October 14th., where he will answer any arithmetical enigma which may be given him, without the use of figures, in much less time than they can be written down. Admittance fifty cents.

Persons asking questions, will do well to work out the answers before they put the questions.
MARTIN & ELLIS, Agents.

COL. T. F. CHAMBERS' SPEECH.—The argument of Col. Chambers, of Cincinnati, in defence of Coleman, yesterday, was a noble effort. It was eloquent, logical and pathetic. Those who heard it, speak of it in the highest terms, and its happy effect upon the jury could not be mistaken. The Col. is a fine looking gentleman, and appears to the very best advantage before a jury. His speech was listened to with marked interest by the jury, the court, the bar, and a large audience.

ORDER OF ARREST.—Willis Mitchell, and his son Lacy Mitchell, against whom the grand jury found a true bill for the murder of Henry Kartman, in Portland, were ordered into custody, yesterday, by Judge Muir. These persons were admitted to bail by the judge of the police court, the other day.

POULTRY TOURNAMENT.—A large crowd was gathered yesterday on Third street, near Market, to witness a contest between two well matched game chickens. This is a new feature of the enthusiasm prevailing in our city in reference to out door sports.

Indiana Election.

We learn from a gentleman who left Indianapolis yesterday evening, that news had been received of the election of Davis, (anti-Lecomptou,) over Secrest the regular Democratic candidate, in the Terre Haute district.

We learn from Indianapolis, that however the Congressional election may have resulted, that the Democrats are confident of electing their State ticket.

FIRE.—The grocery store and dwelling of A. Gross, corner of Fifth and Broadway, caught fire yesterday morning about 8 o'clock. By the timely aid of his neighbors, it was soon subdued without any alarm being given. The loss was comparatively small.

THE KENTUCKY MECHANICS' INSTITUTE.

SIXTH ANNUAL EXHIBITION.

The Closing Address—Award of Premiums.

The attendance at the Institute last evening to witness the closing festivities was brilliant, fashionable and numerous. All were gay and joyous, and when the bell rung out the final summons for departure, the pleased throng were loth to leave the exciting precincts of the exhibition hall.

We publish the beautiful address of Mr. Kelley this morning. It is a graceful and poetic production, and will add to the reputation that its author already possesses as a forcible and fluent speaker.

After the crowd had departed, the usual annual banquet of the directors was had. It was creditable to the taste of Mr. Schuster, the purveyor of the feast, and enjoyed by the participants with infinite gusto. We cannot, at this late hour, do more than make this brief reference to the pleasant reunion of the managers and members of the press. Of the sentiments, and speeches, and songs, we shall have more to say hy-and-by.

August Election 1859—State Officers.

The constitution of Kentucky requires the election of a governor, lieutenant governor, attorney general, auditor, superintendent public instruction, president board internal improvements, and register of the land office, once in every four years. Also a treasurer once in every two years, and a clerk of Court of Appeals once in every eight years. These offices make up what is called the State ticket. Elections for all other officers are confined to districts.

The present State officers, Hon. Chas. S. Morehead, Governor; Hon. Jas. Harlan, attorney general; Thos. S. Page, auditor; Rev. John W. Mathews, superintendent public instruction; Dr. David Haggard, president board internal improvements, and Andrew McKinley, Esq., register of the land office, were elected in August 1855. Their places are therefore to be filled in August 1859.—Jas. G. Garrard, our treasurer, elected in 1857, has a term which expires at the same time. His place will have to be filled again in 1859. The place of Lieutenant Governor has been vacant for some time by the death of Mr. Hardy, who was elected in 1855. The term of R. R. Revill, clerk of the Court of Appeals, elected in 1858, does not expire until 1866.

The officers to be elected by the vote of the State at large in 1859, are therefore Governor, Lieutenant Governor, Attorney General, Auditor, Treasurer, Superintendent of Public Instruction, President of the Board of Internal Improvements, and Register of the Land Office. We make this publication to correct some erroneous impressions in some parts of the State, indicated by letters that we have received.

Now, it should be remembered that the officers above enumerated are State officers. They are not confined to any town, city, county, or district. They embrace the whole of the Commonwealth, with its four appellate districts, its twelve circuit court districts, its ten Congressional districts, its thirty-eight Senatorial districts, its hundred counties, its thousands of cities, towns, and precincts, and its million of freemen. The leading thought to be kept in view, therefore, in suggesting nominations to the convention, which meets at Frankfort on the 8th of January, is that the offices to be filled are *State offices*. There are thousands of men in the State who might properly enough claim a precinct, a city, a county, or a district office, who ought not to be mentioned in connection with a State office. Let the State offices be filled by men of some State reputation—men who have done the Democracy State-service, and who are known in more of the State than in their own town, county, or district.

If these suggestions are regarded the Democracy will send men to Frankfort capable of guarding and holding the power we now have in the State. On the contrary, if the State offices are filled by town, city, county, or district men—men worthy and capable of filling such places, but who have no State reputation or capacity, the Democracy may soon lose the power they now have. We now have power enough in the State, and the question is not now how we shall acquire more, but how we shall retain what we have.—If our suggestions are carried out, we shall retain this power, but if they are disregarded, we shall lose it before we get fully into the enjoyment of it. The State has been in the hands of the opponents of the Democracy for a quarter of a century, but it will now remain where it is, if the proper course is pursued and the right men are put into office—at least, in the State offices.

Hon. A. G. Talbott.

We publish in another column, to-day, a well written communication strongly recommending Hon. A. G. Talbott, the able, zealous, and gallant Representative in Congress, of the fourth district, as a suitable candidate for next Governor of Kentucky. We indorse every word uttered by our correspondent as to the worth, merits, and capacity of the distinguished gentleman. Mr. Talbott is a splendid specimen of the true Kentuckian, and with him as our standard bearer, in the next contest a victory would be won worthy of the party and of himself. Without wishing to detract a whit from the claims of other prominent and able men whose names have been mentioned in connection with the same office, we do not hesitate to say that Mr. Talbott could bring with him into the canvass, more zeal, energy, and ability to do hard work, than any other man in the State. His last two brilliant canvasses demonstrated that whilst his own unconquerable energy carried him successfully through, almost any other man in the district would have been overwhelmingly defeated. He would not only make a splendid and triumphant race, but would prove to be one of the best and most popular Governors Kentucky ever had. If he is the nominee of the convention, the Courier will support him with a *vim*.

A PROPER OBJECT OF CHARITY.—A letter has been received by Rt. Rev. Bishop Spalding from one of the Catholic clergy of New Orleans, earnestly soliciting aid for the large number of orphans left, by the ravages of the epidemic, in charge of the St. Vincent's Society, of that city. The Bishop has named the following gentlemen, as a committee, to call upon such of our citizens as are willing to contribnte to so laudable a charity: Messrs. Michael Cody, B. J. Webb, Dr. J. C. Metcalfe, Dr. Richard Rudd, and Thomas Slevin.—As far as practicable, these gentlemen will, during the remainder of this week, call and receive what may be offered. At the same, it is respectfully solicited that those who feel disposed, and can do so, will hand in before the close of the week, at the residence, business place, or office of any one of the committee, whatever they may have to give.

☞ We are requested to call attention to the large sale of pawnbrokers' goods, by S. G. Henry & Co., commencing this, Thursday, morning at store room No. 500 Main street, adjoining auction room, at 10 o'clock. Catalogues are now ready. This is a large and general stock of ready made clothing, boots and shoes, gold and silver watches and chains, diamond rings, mathematical and surgical instruments, guns, rifles, pistols, and musical instruments. Call and see this unique stock before the sale.

SNAKE CHARMER.—An ungainly man from the mountain "deestricks," was in the city yesterday, with a couple of rattlesnakes which he fondled, placed in his bosom, and performed various exploits with, for the consideration of a few dimes. In order to give the people notification of his occupation, the man displayed a blood red representation of a snake upon his pantaloons.

TIMES IN IOWA.—An old and esteemed friend writing us from Louisa county, Iowa, under date of 7th inst., says: "Times are very hard with the farmers in this section of the country, as wheat, oats, and potatoes failed. Corn will be about half a crop."

☞ The Rev. Mr. Osborn of Rochester University of New York, pastor of Jefferson street Baptist church, will preach at Plumer's hall, this evening at half past seven o'clock. The public are invited to attend. Seats free.

PERSONAL.—We had the pleasure, yesterday, of a visit from Hon. David L. Yulee, U. S. Senator from Florida, and ex-Governor Wickliffe.

[Correspondent of the Louisville Courier.]

The Gubernatorial Race—Hon. A. G. Talbott.

Editors Louisville Courier: The question is now being agitated as to who shall be the candidate and standard bearer of the Democratic party in the coming election, for Governor of Kentucky, and feeling as I do, a deep interest that the person thus selected should not only possess the ability to bear our standard in triumph, but likewise the requisite qualifications of character and capacity to insure such an administration of the office, as will not only redound to his own credit, but that of the party and State, I feel constrained in furtherance of that view and end, to respectfully present the name of the Hon. A. G. Talbott, member of Congress from the fourth district of Kentucky, as one suitable in an eminent degree for that all important position, being, as he is, a man of superior order of intellect and intelligence, and at all times governed by the most scrupulous regard of every high-toned principle of honor and honesty; always open, candid, and frank in the declarations of his opinions; free from the slightest taint of demagogueism; whilst at the same time his deportment is ever characterized by a courtly, dignified suavity of manner, which, taken in connection with his exemplary private and moral character, makes him a favorite with all to whom he is known.

With him as our candidate we may not only rely upon success, but upon a judicious and satisfactory administration of the office. He is the first prominent public man in Kentucky, who, without waiting to see how the wind blew, promptly took an open, bold, and decided stand against that hellish and treasonable organization sacreligiously called "American," and for which he was more violently opposed than any other man, but gallantly triumphed over all. He is truly a self-made man, having commenced life poor, but by his untiring industry and perseverence has not only made himself rich in this world's wealth, but in intelligence, and a high and enviable reputation for all the ennobling characteristics of a man and a gentleman. His standing, both in Congress and the city of Washington, is such as to make any Kentuckian feel proud of him. Ever ready and prompt in debate, marked by good sense and discretion in adhering to the point in issue, and with commanding tact, never fails to enlist the most respectful attention of the house. Then, it would be difficult to find a man his equal in a political canvass, being of fine appearance and pleasant countenance, which with his happy tact and manner of mixing with people, clearly shows that his heart and feeling are not only with them, but of them, and thereby causing *them* to so regard him.

Thus, with his great fund of good humored and witty anecdotes, which he relates in the most felicitous and happy manner, although, appropriate to the occasion and circumstance; as for instance, a few weeks before the close of the last session of Congress, in Washington, the Hon. John C. Mason, a dry wit and quiz, was rigging Humphry Marshall about becoming a Black Republican, to which Humphry demurred by saying that he was as good a pro-slavery man as any of them, about which time Talbot happened to step up, when Mason told him what Marshall had said. Talbot smiled, and remarked that it reminded him of an anecdote that took place between two negroes of his town, one of whom was noted for being an unreliable, slippery character, familiarly called Uncle Abraham, who upon meeting with his brother cuffee of good repute, by the name of Lewis, addressed him, saying: "How are you Lewis?" "Quite well, Uncle Abraham. How are you?" "Ah! Lewis," said Abraham, at the same time drawing himself up and striking his breast and then pointing to Lewis, "It is only *here and there* that you find an honest man."—"Well," said Lewis, "it may be so Uncle Abraham, but I tell you, Uncle Ab., if I was a chicken, and was to know you were in the neighborhood, I would be sure to look for the highest roost I could find." This so completely fit the case and character of the slippery Humphrey, that with all his known impudence he hung his head and became dumbfounded.

In conclusion, I will only remark that notwithstanding my preference for Mr. Talbot, for the reasons above stated, yet, nevertheless, if the party should finally determine upon another, however much I may regret it, I will be found ready and willing, as I know he will be, to abide by the decision of the majority fairly expressed.

Louisville, Oct. 12, 1858. KENTUCKIAN.

[Correspondence of the Louisville Courier.]

Gubernatorial Race—Hon. Linn Boyd.

FRANKFORT, KY., Oct. 12, 1858.

Editors Louisville Courier:—Col. Preston, who appeared to be the *unanimous* candidate of the Democracy, having accepted the mission to Spain, the question naturally arises, who shall be our next Governor?

In casting about for a suitable candidate for that high and important office, it seems impossible not to see that at the head of the list of many eminent and worthy gentlemen, stands the Hon. Linn Boyd, of Paducah. Of Col. Boyd's Democracy we need not speak. It is spread upon the records of our national Congress for a period of eighteen years. He is always true, always fearless, and always right. A more unexceptional record than Col. Boyd's cannot be produced by any statesman in or out of Kentucky. The writer of this happens to know that in our last State convention Col. Boyd introduced and *carried through* a resolution indorsing the national administration. It was no easy task then. Many Democrats who are now vociferous in their admiration of the administration of President Buchanan, were not *then* quite certain which way the cat would jump, and they were mute as they are now boisterous. Col. Boyd and the Louisville Courier at once, and among the first, took a bold and fearless stand upon the Kansas question as it came up, and I asserl, without fear of contradiction, that their efforts prevented the State of Kentucky from administering a silent rebuke to an Administration which every Democrat now admits to be right.

Without disparagement to the many worthy gentlemen who have been spoken of in connection with the office, we honestly believe that Col. Linn Boyd is the man for our next Governor.

I trust that in accordance with your usual courtesy you will give this communication a place in your excellent paper. The Courier seems to be the place where everybody looks for a reflex of public sentiment. FRANKLIN.

Register Land Office—Dr. H. Rodman.

HENRY COUNTY, KY., Oct. 8, 1858.

Editors Louisville Courier: I notice through the Democratic papers of the State that the different counties have been holding meetings, and expressing their choice for candidates for Governor, but, as yet, have seen but little expression of choice as to the other offices that are to be filled, by our State election, next August.

In looking over our different counties for a candidate for Register of the Land Office, I can think of no person who possesses so many qualities for the duties of that office as Dr. H. Rodman, of Franklin county. He is what is termed an Old-Line Democrat, having been born and reared in our county; and, knowing him from his infancy, I am prepared to testify to his merit, and unwavering devotion, and support of the principles and candidates of the Democratic party from his boyhood up to the present.

In addition to the service he has rendered to his party, by his untiring energy, he is a courteous, kind, and amiable gentleman, possessed of large experience in just such duties as will be required of the incumbent of that office. With such a candidate, recommended by our State convention, (which he will doubtless be) I can safely say that old Henry will give him a larger majority than she has given any Democrat in twenty-five years.

AN OLD DEMOCRAT.

☞ When Queen Victoria went through the ceremony of opening the Leeds town hall, and afterwards rode through the streets in procession, she wore a rich silk dress of a delicate tint of lavender, with flounces of pale *chine* flowers on a white ground; also a mantle of white silk, richly embroidered and trimmed with lace. The bonnet was white trimmed with white flowers and green leaves, and a white vail. She wore maize-colored kid gloves and carried a fan. The young princesses wore silk dresses with a green *chine* pattern on a white ground, with stone colored silk jackets, and straw bonnets trimmed with green and white *tulle* veils, says the Leeds Mercury.

☞ When Charles Astor Briated fought his duel with the Frenchmarquis his dress displayed "nary white," not even shirt collar, wristband or bosom, all was solemn and undistinguishable black; while the Frenchman, as if in defiance, fluttered a white handkerchief from his bosom, as a mark for the American's ball. But nobody was hit or hurt.

HOPKINS CO., KY., Sept. 30, 1858.

DR. R. D. PORTER, *Louisville, Ky.—Dear Sir:* Owing to the sickly season and my extensive practice, I have not had time to pay much attention to the sale of your Liniment. I have, however, just sold ten bottles, and inclose you amount for same. In addition to which, I would state that I have used it in many cases of chronic sores and for various rheumatisms, and find it a very valuable remedy. A short time ago I cured completely a fine saddle horse that had the sweeny, by a few applications of your Liniment.

I shall continne, sir, to use your Liniment in my practice, and recommend it in the highest terms for the above and many other external diseases.

I would further state, sir, I believe that when the real merits and efficacy of your Oriental Life Liniment is established throughout the United States, all quack medicines that assume and abuse the name of liniment will, necessarily, fly like chaff beforo the wind—perish, or become entirely obsolete, to give way to your invaluable remedy.

I remain, sir, respectfully yours,

I was induced, through the advice of a friend, to commence the use of your Bitters, and took faithfully, according to directions, threo bottles, which entirely cured me, and I now find myself in as good health as I have ever enjoyed.

Respectfully, yours, JOHN C. QUEENES.

FINE SPECTACLES & EYE-GLASSES.

I have given this department of my business very special attention for several years past, and have availed myself of every variety of Pebbles and Glasses, to be obtained in Europe and America.

Having made the eye a part of my study, as a physician, previous to my present occupation, I think I may justly say that a knowledge of the physiology and pathology of the eye is important in giving aid to impaired vision.

THE GENUINE PEBBLES.

The different varieties of these fine lenses I recommend because of their perfect transparency and extreme hardness. They cannot be cut by the diamond, and, therefore, by constant use are never defaced by scratches. Their temperature, compared with the soft glass, is a ready test by which those unacquainted may distinguish them by the tongue or delicate touch—they being crystalized stone, hance colder than glass.

Orders by mail will receive prompt attention.

Glasses or Pebbles fitted to old frames.

Liberal deduction to the trade.

In all cases satisfaction warranted.

Some Extracts, or Selections.

Bad faith in the past is deemed no certainty of bad faith in the future from those who have but been largely triumphant.

* * * * * * *

Thus far the programme has been fulfilled. Perhaps has been quietly possessed by Britain, Turkey remonstrates; France does not bluster, but all quietly as the offence was done, takes measures that are yet to be cited as having been sufficient protest against it.

* * * * * * *

So this yet seemingly quiet matter at issue is no trifling one. Britain's one step regarding it is no trifling one.

* * * * * * *

Then will indeed be a time of strife that may well make the world shudder with horror, as the lightning's wing and the iron horse take abroad the dreadful tidings,—

* * * * * * *

The struggle will be terrible, indeed; sullen, yet fierce; desperate, yet crafty—and knowing no laws but those of strength and vengeance.

* * * * * * *

All these things are familiar to Napoleon's thoughts—all enter into his estimate of the vast ventura for the permanency of a Bonaparte throne. * * * *
And thus may be grasped the key to Napoleon's course.

* * * * * * *

It may be a matter of no slight interest presently to dwell upon the influence which the course and events referred to will have upon AMERICA.

PENNSYLVANIA ELECTION.

PHILADELPHIA, Oct. 13.—Seventh district—S. L. Roberts, Democrat, for Congress, is elected by a majority of probably not over 500 votes.

Eleventh District—James H. Campbell, opposition, for Congress, gains, as far as heard from, 768 votes, and he will probably beat the united vote of Cake and Dewart.

Seventeen districts have been heard from.

Ninth District—Lancaster—In eleven districts which have been heard from, Thaddeus Stevens, opposition, for Congress, gains 1,914, over Carpenter's vote last year, when Carpenter was elected by 10 majority. Stevens' majority will be over 3,000, and Read, opposition, for Supreme Judge, is something ahead. The opposition is jubilant over the result.

Eighth District—Reading gives John Schwartz, anti-Lecompton Democrat, for Congress, 813 maj. over J. Glancy Jones, which is a gain of 1,231 compared with the vote of 1856.

Twelfth District—Luzerne county—gives Scranton, opposition, 2,000 majority.

Fifth Congressional District—John Wood, opposition, elected over Owen Jones, Democrat.

SECOND DISPATCH.

PHILADELPHIA, Oct. 13.—The opposition majorities in this city are as follows: Supreme judge 5,788; canal commissioner 4,990; sheriff 5,273; register of wills 5,300; clerk of orphans' court 4,700.

In the first congressional district Florence, (D.), 493 majority.

Third district—Verree (O.), 1,037 maj.

Fourth district—Milward (O.), 2,247 maj.

In the Fifth district Wood (O.), has 1,300 maj. Montgomery county which is in the district, has not been heard from. It gave a Democratic majority of 1,400 last year. Partial returns show handsome opposition gain. Wood's election claimed.

Sixth district—Hickman, anti-Lecompton elected.

Seventh district—In doubt; large gains for Longnecker over Roberts, Dem.

Seventeenth district—Returns show a large gain for McPherson, opposition, in Franklin county; Reiley, the present member, supposed to be defeated.

Ninthteenth district—Partial returns show that Foster, Dem., leads Covode 600 in Westmoreland county. The balance of the county will increase the majority to 900. Armstrong and Indiana counties not heard from.

THIRD DISPATCH.

Fifteenth District—Hale, opposition, elected by 2,000.

Seventeenth District—Vote close, Edward McPherson, opposition, believed to be elected.

Fifth District—Wood elected over Owen Jones, by over 2,000 majority.

Seventh District—Lehigh gives Longnecker, opposition, nearly 200 majority.

Bucks county—Longnecker gains 221 in fifteen districts. Result doubtful.

Thirteenth District—Carbin county gives Shoemaker, opposition, 500 majority. Northampton gives Dimmick, Democrat, not over 500. Balance of district (Monroe, Pike, and Wayne) not heard from. Result doubtful. Both parties claim it. The Democratic majority in 1856 was 500.

In Philadelphia the opposition elected one Senator and eleven Representatives, and the Democrats four Representatives. Two others doubtful.

FOURTH DISPATCH.

Sixth District—The election of John Hickman, anti-Lecompton, to Congress, is rendered certain by the returns received.

Thirteenth District—Monroe county gives W. H. Dimmick, Democrat, 600 majority, a loss of 1,000 compared with the vote in 1856.

INDIANA ELECTION.

Sixth District—Porter, Rep., certainly elected

In Indianapolis city and five townships in Marion county, Porter, Rep., for Congress, gains 650 over the vote of 1856.

In Washington township, Porter's majority 47; Republican gain 62.

Van Buren township, Porter's majority 35; Democratic gain 11.

Hancock county, one township heard from gives Porter 24 majority; same township in 1856 gave a small Democratic majority.

Tippecanoe county gives a Republican majority of 450 to 600, which is a gain of 200.

Boone county gives the Republicans a small majority; usually a Democratic majority of 200.

Returns thus far indicate the election of English, Administration Democrat, in the Second District, by a small majority.

Third District—Dunn, Republican, elected.

Fourth District—Holman, Dem., elected.

Fifth District—Kilgore, Rep., elected.

Sixth District—Porter, Republican, elected by a majority of from 300 to 400, which is a Republican gain in the district of 1,200 over the vote of 1856.

Eighth District—Wilson, Republican, elected.

In the Ninth district, Colfax (Rep.) and in the Eleventh district Pettit are elected.

The State ticket is yet in doubt.

Partial returns from the First district indicate the election of Hovey (anti-Lecompton) for Congress. Vandenburg county gives Hovey over 700 majority. In 1856, it gave Lockhart (Dem.) for Congress, 1,100 majority.

Knox county will give Niblack, (Dem.), for Congress, about 150 majority; it gave Lockhart (Dem.), in 1856, 488 majority. In Princeton precinct, Gibson county, Hovey's majority will be 150. In Washington precinct, Davis county, the vote is about a tie; Mount Pleasant, Martin county, Niblack 66 majority.

NEW ALBANY.—Votes in the city not yet counted. Floyd county precincts all in but one, and average Democratic majority is 480. The opposition claim a majority in the city from 400 to 500.

NEW ALBANY, Oct. 13, P. M.—The Evening Ledger says that at the time of their going to press all the votes had been counted. We should not be surprised if the entire Democratic ticket was elected in Floyd county.

OHIO ELECTION.

First District—Pendleton, Democrat, elected by 850 majority.

Third District—Vallandingham, Democrat, undoubtedly elected over Campbell.

SECOND DISPATCH.

Nineteenth District—Summit county—1,000 Republican majority. Portage county—About 650 both for Congress and State ticket. Clark county gives the Republican State ticket over 1,000 majority; a gain of 200 over Chase's vote last year.

In the Third District, Vallandingham's majority is 180. Zanesville, Muskingum county—All but four townships give Tomkins, Republican, 150 majority. Republican gain about 500.

KANSAS ELECTION.

ST. LOUIS, Oct. 13.—The election took place in Kansas on the 4th for members of the Legislature. Leavenworth county gave the Republican ticket an average majority of 200; Atchison county, opposition trimmphant by 8 majority; Jefferson county, Republicans defeated; Doniphan county, Democratic ticket elected; Douglas county, Republican ticket elected by 500 majority; Lykins county, Republican ticket elected.

Late News from Mexico.

CHARLESTON, Oct. 12.—By the arrival of the Isabel, from Havana, important news from Mexico has been received.

The British steamer Solent had arrived at Havana. She left Vera Cruz on the 8d inst. at noon.

A corrier arrived at seven in the morning from the city of Mexico, stating that Gen. Vidaurri had been beaten by Gen. Wisamon near San Luis; the latter was said to have captured a thousand prisoners and several pieces of artillery. At eight o'clock another corrier had arrived, stating that Vidaurri had defeated Wisamon, and that the latter had blown out his brains in despair.

The Solent brought news from Tampico that Gov. Garrica had levied contributions on all foreigners, to the amount of $100,000, and on failing to raise the sum, he had imprisoned a number of Spanish and American citizens for thirty-eight hours, with nothing to eat or drink. They were released on the promise to raise the amount. A number had fled to the steamer Solent, and the Spanish Consul took refuge on board a Spanish vessel-of-war off Tampico. His family took refuge on the Solent.

A Fatal Affair.

NASHVILLE, Oct. 13.—There was a desperate fight at the fair grounds to-day. From twelve to fifteen persons were engaged in it. Sandy Owen was killed and his brother dangerously wounded; Samuel Cowan was mortally wounded; Gen. Joel A. Battle had his skull fractured; several others were badly hurt. The fight took place in immediate proximity to the visitors of the grounds, among whom were a large number of ladies. It is understood that a family feud was the origin of the quarrel.

Collision.

BOSTON, Oct. 13.—A collision occurred last night near Newport, between the steamer Empire State and sloop Exchange, of Dartmouth, through the mismanagement of the latter. The sloop was cut in two. The captain was knocked overboard and probably lost, though he may possibly have reached the shore. The crew were rescued by boats from the Empire State, which remained alongside the wreck more than an hour. The night was cloudy and very dark.

From New York.

NEW YORK, Oct. 13.—The English papers contain nothing additional in relation to the Morphy chess contest. Harrwitz had requested a postponement, and the games were to be renewed on the 39th ult.

The steamship Arabia sailed at noon for Liverpool, with $450,000 in specie.

Destructive Fire.

LITTLE FALLS, Mass., Oct. 13.—The planing mill of Mr. Beardslee; the storehouse of Rathburne & Co.; hammer factory, Cheney & Leroy; barrel factory, D. C. Peck; lumber yard landing and store of Mr. Houghton, were burned last night. The property was set on fire. Loss $15,000, which is mostly insured.

River and Weather.

PITTSBURGH, Oct. 13, M.—River 4 feet by metal mark, and falling. Weather alternately clear and cloudy. Thermometer 70.

CINCINNATI, Oct. 13, M.—River risen 15 inches in the last 24 hours; four feet four inches water in the channel. Weather clear. Thermometer 70.

NUNNS & CLARK'S Improved New Scale Pianos are so well and favorably known in this market, and throughout the whole country, to be SUPERIOR in touch, tone, and durability, and they speak so well for themselves, that they need no word of commendation from any one.

HAINES BROTHERS' PIANOS

are new Pianos in this market, but they are well known in many sections of the country as an A No. 1 instrument. Competent judges who have tried them pronounce them fully equal, if not superior, to the Steinway & Son's Pianos. They are a beautiful, highly finished instrument, and we can sell them at three-fourths the price of a Chickering Piano, as we do not have to pay anything for their *name* or reputation. We still keep a full supply of the New and Improved Scale of Chickering & Son's Grand, Parlor Grand, and Square Pianos, and as we are Cash Dealers in them, we can sell them unusually low for cash. We have also several other makes of Pianos, all of which we warrant to give perfect satisfaction. We respectfully invite strangers visiting the city during the Fair, and all others in want of Pianos, to call and examine our complete stock, for we are selling exceedingly low for cash. DR. GATES still continues to be consulted at his old established Dispensary, on Third street, one door south of Walker's Exchange, Louisville, Ky., where those who are so unfortunate as to be afflicted with any form of SEXUAL or SEMINAL DISEASES, should consult him immediately. Persons from a distance, afflicted with any of these diseases, who intend visiting the city during the approaching Fair, can call on Dr. Gates, give a statement of their case, and receive medicines which are potent and effectual in curing their several maladies, without interfering with their business or pleasure. Patients who have been treated by letter, and had a cure effected, will please call and receive his congratulations upon their happy restoration to health. Also, those who at that time are under treatment, he would likewise extend a cordial invitation to call, that he may have a personal examination of their case, and prescribe remedies accordingly. TIFFANY & CO.,

No. 550 Broadway, New York,

Announce that they have secured the entire

Atlantic Telegraph Submarine Cable

Now on board the

U. S. STEAM FRIGATE, NIAGARA.

IN order to place it within the reach of all classes, and that every family in the United States may possess a specimen of this wonderful mechanical curiosity, they propose to cut the Cable into pieces of four inches in length, and mount them neatly with brass ferules.

Each piece will be accompanied with a copyrighted fac simile certificate of

CYRUS W. FIELD, Esq.,

that it is cut from the genuine cable. Twenty miles of it have been actually submerged and taken up from the bottom of the Ocean. This will be first sold in precisely the condition in which the great Cable now lies in the bed of the Atlantic.

Orders will be received from dealers and others for not less than 100 pieces at a time, at $25 per hundred. Retail price 50 cents each.

The Cable will also be sold in the condition in which it came from the Niagara, in lengths of 40 feet and over at 62½c per foot. Smaller quantities at $1 per foot.

Each order must be accompanied by the money, in funds current in New York, as it will not be possible to open accounts.

CAUTION.

Attention is respectfully invited to the following letter from

CYRUS W. FIELD, Esq.

NEW YORK, Aug. 24th, 1858.

Messrs. TIFFANY & Co.—Gentlemen: At your request, and in justice to you, I am bound to state, that I disposed of the entire balance of the Atlantic Cable, on the U. S. steam frigate "Niagara," to your firm, and that if any other party claims to have any portion thereof, it must either have been procured from you, or from the small specimens which were distributed on board before the Cable was laid, in which case the quantity is too small to be worthy of notice.

There is a peculiar interest attached to the Cable which you have bought—twenty miles of it were actually submerged in the ocean, and recovered, while through all of it the electric signals were being transmitted during the whole of the time occupied in laying the cable.

Of course any quantity of cable can be manufactured in England, and many specimens have been circulated in this country, but to few, if any of these, attaches the peculiar value which the cable purchased by you possesses, from the fact that they were part and parcel of the cable which is now actually laid.

I remain, gentlemen, very truly your friend,

s16 deodliu CYRUS W. FIELD.

THE RIVER was slowly swelling yesterday, with about 34 inches water in the canal, a rise of two inches at the head of the falls. The weather during the day was clear and warm, but in the evening it clouded up, with indications of a storm.

We learn from the officers of the mail boat, Hastings, that the river at Cincinnati up to 11 o'clock Tuesday, the hour of her departure, had risen 11 inches, with a rise of some two feet water reported at Portsmouth. This news we got by telegraph yesterday, just 24 hours after date.

The Mississippi, at St. Louis, continues to recede, as well as all its tributaries, and the boats encounter much difficulty in getting along. The following is from our exchanges of yesterday:

The navigation of the river between this and Cairo, is becoming rather a serious matter, from the difficulty attending it. The Lucas, from Memphis, reports the channel getting rapidly into a worse condition, and the river full of snags. She was aground at Thebes' drawing 5½ feet. The John J Roe came in from below, drawing 6½ feet water. Thirty inches scant is the depth on the lower rapids and falling. There is 3½ feet in the Missouri, and this channel is a very bad condition.

There were numerous arrivals, including the following named boats: Lucas from Memphis, with the largest amount of freight yet, viz: 1,138 bales; Great Western, from New Orleans, with a fair cargo—her first visit here; John J Roe, from New Orleans, with 5,706 sacks of salt, &c. The D. A. Jamney arrived and passed on down to the docks as straight and pretty as if her hull was all right.

The Falls City having put her machinery in order, sailed for New Orleans, with a good cargo, including a large lot of beef cattle.

The Cavalier received at Levenworth, a lot of 886 bales of Mexican wool—doubtless the largest shipment ever made on the Missouri.

Capt. Wolf has laid up the Tigeress and Rocket, side by side, where they will probably remain until a rise in the Ohio warrants him in taking them into that trade.

Something in September last the local inspectors of the Ohio district suspended pilot Chas. Lawson, from some cause or another, for three months. Lawson, deeming himself wronged, appealed to the supervising inspector, who reinstated him, so that instead of loosing three months, he lost only one.

The price for pound freights, established on Saturday by the Marine Association, are $1 25 to St. Josephs, $1 to Weston, and 75 cents to Brunswick.

MOUND CITY.—We invite attention to the following interesting letter from our Mound City correspondent. Heavy frosts have been falling in that region:

MOUND CITY, Oct. 11, 1858.

Reporter Louisville Courier: Within the last few days we have had heavy frosts and much rain, and now old Boreas, awakened from a long sleep, howls piercingly around us, rendering hot fires and great soats indispensably necessary for comfort.

Our river has been alive with small boats, slowly tugging their way up and down to their respective destinations, since last writing you, but we have not had time to note their flounderings.

The S. H. Tucker, Minnesota, Rescue, Resolute, Henry Fitchbeth, Cuba, and Tom Scott, make up our port list for the last twenty-four hours. On yesterday afternoon we recorded the Minnesota, downward bound, and upon handing over "our bill" to the clerk, were granted a free pass to Cairo, where we picked up an item or two. The great Eclipse with every stateroom crowded to its utmost tension, with handsome ladies, lovely children and happy men, was quietly resting upon the bosom of the Ohio, while a number of small crafts were playing around, rapidly transferring the freight to her. In the office we found Capt. Spotts, and our friend Harry Landram, of the Newcomb, busily engaged in stowing away her vast crowd of human freight, and soon all had rooms assigned them.

Among the number returning to their Southern homes, we saw Matt F. Ward and family, Col. Dick Higgins and family, Col. Manley and lady, a bridal party from Louisville, and acquaintance—"took to the main"—and Mr Lundsten will discharge the duties of the office as far as members, when he will return here to take charge of the office of the Newcomb, which is now lying at our wharf, "as bright as a silver dollar," and ready for the fall campaign.

And of the boats now doing business upon the Ohio, we know of none more deserving our attention than the Fairmont Capt. J. B. Archer, who has served the people so long and so faithfully, and having gained an honorable reputation and high position in his profession, richly merits the encouragement of the trading community.—We are glad that the public property is in such excellent hands, and have so liberally responded to his claims, as is demonstrated by his continued success.

When the Potomac passed down, on Friday evening last, she had aboard some ninety cabin passengers and sixty deckers, besides a number of mules, dogs, wagons, baggies, plants &c. "Salgo" is on.

The passengers were highly delighted with the trip, and spoke in the highest terms of the boat, Capt. Archer and all assistants. The Potomac is very light, and is fast winning a fine reputation as a summer packet.

Yours, &c., I.O.

FOR HAWESVILLE AND OWENSBORO.—The Eolian, Capt. Logan, has been transfered to the Owensboro trade. She is up for that destination this afternoon at 2 o'clock.

☞ The fine steamer Time, Capt. Barnard, is the regular Friday packet for Owensboro.

THE TEMPEST.—This fine packet was due from Cairo last night, and is advertised to return to Cairo and Memphis this evening.

CHANGED OWNERS.—The John Bell, which was sold at auction the other day to Mr. Sheilds, has been transfered to Pres. and Graf. Austou, two brothers, who assume the payment and take the boat. She was knocked down for $5,200.

☞ Thanks to Nick Vinegard, the clever clerk of the Rochester, from Carrollton, for a manifest. She is the mail line packet for Carrollton to-day.

FOR CARROLLTON.—The staunch Umpire is the independent packet for Madison and Carrollton at 1 o'clock to-day. She is a good boat, and a great accommodation to the people along the line. She is in charge of Capt. Welch.

☞ The Mariner is the mail boat for Cincinnati at 11 o'clock to-day. In the office will be found Mr. Dooling to attend to passengers.

☞ The Republic, Capt. Ed. Montgomery, has also taken a day in the cotton trade, being advertised to leave New Orleans every Monday. She will have a nice time of it in opposition to the Eclipse and Alice Vivian.

In addition to the above trio, the Ben. Franklin is the regular Monday packet for Memphis. That makes four on one day—a nice party to make money by.

☞ The Alice Vivian has been chartered by Capt. John Cannon, and will hereafter run in connection with the steamer Vicksburg, in the Bend trade—leaving New Orleans every Monday. She will be commanded by Capt. J. M. White.

The Eclipse, on arriving at New Orleans, will take her place in the same trade, leaving New Orleans every Monday.

☞ Capt. Keeling, has purchased the Paul Jones, at New Orleans, for $9,000, for the Ouachita River trade.

☞ The John Raine which has been advertised to start to New Orleans from Cairo, to-morrow, will not get off until the abatement of the yellow fever. Capt. Underwood has decided not to start her out until business is fully resumed.

☞ The packet company on the upper Mississippi, have been put to such shifts for a shaft for the War Eagle, which had broken hers, that they determined to resurrect the shaft of the Galena that had sunk at Red Wing. The machinery was made at Cincinnati, and brittle of course.

☞ The Woodford, Capt. Irwin, left New Orleans for this port on Tuesday evening.

☞ The Eclipse, Capt. Spotts, from Cairo, passed Memphis Tuesday evening.

☞ The J. H. Done, Capt. Huron's boat, has been laid up at Evansville. She is about to be withdrawn from the trade.

FLORIDA SOLD.—We learn that J. A. Doll has sold the huge freight steamer Florida, as she now lies at New Orleans, to Jno. R. Cotton, for $10,000.

☞ The Chattanooga has changed her destination, and now has her bills up for St. Louis.

EMPIRE
FAMILY SEWING MACHINE!

A *GOOD* SEWING MACHINE at a low price has long been a *desideratum*, and is now attained in the Nettleton & Raymond Patent. This is a two-thread Machine of remarkably simple construction, and does the same work as the $100 Machines, yet it is offered at the low price of

$80!

The stitch is the best made by machinery, and it is superior to the best hand sewing. It is elastic, and therefore not liable to break by any strain in washing or otherwise. Every fourth stitch may be cut and the sewing will still hold. The machine sews from two common spools, and for speed is not surpassed. For sale by

COMMERCIAL.

OFFICE LOUISVILLE COURIER,
TUESDAY EVENING, Oct. 13.

Not much doing in any department of trade thus far this month, with a gradual falling off in supplies of all sorts of produce and merchandize. The stocks, however, of the latter are unusually large and ample for a heavy fall trade, which will be active as soon as the health of the South improves, and the river rises. The money market and monetary affairs are quite easy, and we hear of no stringency whatever among banks or merchants. The provision market, though generally quiet, is rather firmer than it had been, with, however, no present demand. As regards prices of hogs for the coming packing season, we hear of no movement, and regard prices as nominal at present at about 4 cents gross, and 5a5½c nett. At St. Louis packers were very backward, and we hear of offers at 4½a5c for next months delivery.

The Keokuk Gate City of the 9th says:

Quite a brisk business is doing in the hog trade here. Our packers have purchased something over thirty-five thousand head and are still engaging all that offer.—Prices about $4 50 per cwt. nett weights. The cutting season will open earlier than usual, probably about the first of next month. The number packed at this point this season will unquestionably be a large increase over any previous season's business.

At Mattoon, Ill., the Gazette of the 7th records a sale of 214 head of hogs, averaging 260 lbs, at $4 per 100 lbs.

The weather at the close of last week was quite cold, with three nights of hard, white frost, followed by two days of light drizzling rain. To-day it is clear and pleasant. The frost, as far as we can hear, has done no damage whatever, the crops of corn, and tobacco being considered safe. The river, though at our usual low stage, is swelling slightly, and in fair condition for light propellers.

Our quotations are altogether the wholesale prices for articles, which, on time orders, or retail sales to the country, command an advance.
